Legal disclaimer: The ZF Friedrichshafen AG products described above are specially designed for their specified intended use and may not be used for any other purpose. However, ZF makes neither an explicit nor an implied guarantee for the suitability of the products for certain intended uses neither explicitly agreed nor agreed in writing between ZF and its customers. The details in this flyer are, in particular, not binding with regard to the nature of the products. Only those written agreements made in the ordering process, in particular those concerning the nature of each product, shall be decisive in terms of ZF's contractual obligations. Proper assembly of the products is also a prerequisite for this guarantee. Details in advertising material are non-binding and cannot be consulted in determining the nature of the products. Subject to change without notice. Errors and omissions excepted. For further information visit: www.zf.com/dis
